DESCRIPTIVE REPORT ON TOPOGRAPHIC SHEET NO. 2511.

Scale 1-20,000.
Contour interval, 20 feet.

LIBRARY AND ARCHIVE

JUL 28 1910

The shoreline on this sheet was executed by the late
back
Assistant Nelson. The area of the shoreline was executed by
my party during the calendar years 1908-9.

The road lines were carefully located and also boundary
fence lines when distinguished as such. The prominent build-
ings were nearly all determined by plane-table intersections.

There are two landmarks on the sheet which should be
named: "Paper Mill Chy" and Greenacre Hotel.
