S. O. S. SURVEY,  
LIBRARY AND ARCHIVES  
OCT 19 1907  
Rec. No.

to accompany Topographic Sheet No. 2803  
Saint Paul Harbor, Alaska.

This region is fully described in the descriptive report accompanying Hydrographic Sheet No. 2863, covering the same area and reference is accordingly made to that report, in order to avoid needless duplication.

This work was a reconnaissance based upon a plane table triangulation proceeding from a base measured by telemeter and was executed by Messrs W.E. Parker and W.M. Steirnagle, in the field.

*W. C. Hodgkins*

Chief of Party.
