PLANE TABLE SURVEY
of
VICINITY of RICHMOND BEACH, WN.
SURVEYED JUNE 1913.

DESCRIPTIVE REPORT

to accompany

TOPOGRAPHIC SHEET of

POINT EDWARDS to RICHMOND BEACH.

H. A. Seran, Chief of Party.

The instructions issued me called for the position of the oil tanks at Richmond Beach. As the triangulation stations in this immediately vicinity have been destroyed, I reran the shore line from Point Edwards to Richmond Beach with the idea that the positions of the tanks could be transferred by the shore line.

I did not have a copy of the original sheet of this work and I am unable to transfer the work.
