·	DESCRIPTIVE REPORT - TOPOGRAPHIC SHEETS Nos. 3762 and 3763.
	Homer P. Ritter.
	Amount to appearing the linder would and Conduct Warding
	Among the effects of Hydrographic and Geodetic Engineer
No.de	B. Bitter, who died April 21, 1919, were found these two Charts scription or data referring to them was with them In the Superintendents Annual Report for 1913, is the following
refer	ring_to_Mr. Ritter's work:-
	"During the first half of the fiscal year the topographic revision
of Ch	art 269 (Stamford Harbor to Little Captain's Island), was completed,
	he revision of Chart 270 (Little Captain's Island to Rye Neck), begun.
About	one quarter of the field work for the r4vision of that Chart was
·	eted by the end of December."
	On account of other assignments the revision work, of which
these	two charts were a part, was never resumed, and as Mr. Ritter was
const	antly employed on other work, he was unable to complete the inking
