WASHINGTON November 4, 1924.

SECTION OF FIELD RECORDS

Report on Topographic Sheet No. 3916

(Reconnaissance)

Mitrofanian to Cape Kumlium, Alaska

Surveyed in 1920

Instructions dated March, 1920.

Chief of Party, F. H. Hardy.

Surveyed and inked by I. M. Dailey.

1. No descriptive report was submitted with this sheet.
2. This survey is based on cuts taken from triangulation stations, the shoreline being sketched with these cuts and location of triangulation stations as control.
3. The work complies with the specific instructions in so far as the area and extent are concerned, and may be considered of sufficient value for charting purposes until detailed surveys can be made.
4. Reviewed by E. P. Ellis, October, 1924.
