[REDACTED]

DESCRIPTIVE REPORT

To accompany topographic sheet "U", West end Mokuau Penin. to Tri. Sta. POND.
1926, Eoline R.Hand, Chief of Party.

This sheet depicts the shoreline of one end of Kaneohe Bay. Island of Oahu, Territory of Hawaii. It was executed in connection with the military survey (Oahu Inshore Hydrographic Survey) called for by the War Department. The two-fold purpose of these topographic sheets was the accurate location of signals for hydrographic work and the analysis of the shore with close regard to certain military problems, as landings etc. Nothing beyond the immediate shoreline was desired by the Army.

The main report on both the land and water features, and which was prepared for the military, will be found accompanying the complement of this sheet, hydrographic sheet No. 21.

Eoline R. Hand
